I. APPLICABILITY. These General Terms and Conditions apply, but are not limited, to all bids, proposals, qualifications and quotations (hereinafter referred to as “Offers” or “Responses”) made to the Denver Public Schools (hereinafter referred to as “District”) by all prospective suppliers (herein after referred to as “Vendors”) in response, but not limited, to Invitations for Bid, Requests for Proposals, Requests for Qualifications, and Requests for Quotations (hereinafter referred to as “Solicitations”).

II. CONTENTS OF OFFER

A. General Conditions. Vendors are required to submit their Offers in accordance with the following expressed conditions:

1. Vendors shall make all investigations necessary to thoroughly inform themselves regarding the plant and facilities affected by the delivery of materials and services as required by the conditions of the Solicitation. No plea of ignorance by the Vendor of conditions that exist or that may hereafter exist as a result of failure to fulfill the requirements of the contract documents will be accepted as the basis for varying the requirements of the District or the compensation to the Vendor.

2. Vendors are advised that all District contracts are subject to all legal requirements contained in the District Board policies, the Strategic Sourcing Department’s policies and procedures including state and federal statutes. When conflicts between the Solicitation and these legal documents occur, the highest authority will prevail.

3. Vendors are required to state exactly what they intend to furnish to the District via this Solicitation and must clearly indicate any variances to the terms, conditions, and specifications of this Solicitation no matter how slight. If variations are not stated in the Vendor’s Offer, it shall be construed that the Vendor’s Offer fully complies with all conditions identified in this Solicitation.

4. Denver Public Schools intends and expects that the contracting processes of the District and its Vendors provide equal opportunity without regard to gender, race, ethnicity, religion, age or disability and that its Vendors make available equal opportunities to the extent third parties are engaged to provide goods and services to the District as subcontractors, vendors, or otherwise. Accordingly, the Vendor shall not discriminate on any of the foregoing grounds in the performance of the contract, and shall make available equal opportunities to the extent third parties are engaged to provide goods and services in connection with performance of the contract (joint ventures are encouraged). The Vendor shall disseminate information regarding all subcontracting opportunities under this contract in a manner reasonably calculated to reach all qualified potential subcontractors who may be interested. The Vendor shall maintain records demonstrating its compliance with this article and shall make such records available to the District upon the District’s request.

5. All Offers and other materials submitted in response to this Solicitation shall become the property of the Denver Public Schools.
6. **Open Records.** The Vendor understands that all material provided or produced under this Agreement may be subject to the Colorado Open Records Act, § 24-72-201, et seq., C.R.S. In the event of the filing of a lawsuit to compel such disclosure, the District will tender all such material to the court for judicial determination of the issue of disclosure and the Vendor agrees to intervene in such lawsuit to protect and assert its claims of privilege and against disclosure of such material or waive the same. The Vendor further agrees to defend, indemnify and save and hold harmless the District, its officers, agents and employees, from any claims, damages, expenses, losses or costs arising out of the Vendor’s intervention to protect and assert its claim of privilege against disclosure under this Article including, but not limited to, prompt reimbursement to the District of all reasonable attorney fees, costs and damages that the District may incur directly or may be ordered to pay by such court.

B. **Worker's Compensation Insurance.** Each contractor and subcontractor shall maintain at his own expense until completion of his work and acceptance thereof by the District, Worker's Compensation Insurance, including occupational disease provisions, covering the obligations of the contractor or subcontractor in accordance with the provisions of the laws of the State of Colorado. If any Vendor contemplating submitting an Offer under this Solicitation is in doubt as to the true meaning of the specifications, the Vendor must submit a written request for clarification to the District's Contact person as stated in the Special Terms and Conditions. The Vendor submitting the request shall be responsible for ensuring that the request is received by the District at least five calendar days prior to the scheduled Solicitation opening or as stated in the Special Terms and Conditions.

Any official interpretation of this Solicitation must be made, in writing, by an agent of the District's Strategic Sourcing Department who is authorized to act on behalf of the District. The District shall not be responsible for interpretations offered by employees of the District who are not agents of the District's Strategic Sourcing Department.

The District shall issue a written addendum if substantial changes which impact the technical submission of Offers are required. Such addenda will be posted on the Strategic Sourcing Department web site (http://purchasingts.dpsk12.org/bids/default.asp). Vendors are responsible for either revisiting this website prior to the due date or contacting the designated buyer to ensure that they have any addenda which may have been issued after the initial download. The Vendor shall certify its acknowledgment of the addendum by signing the addendum and returning it with its Offer. In the event of conflict with the original contract documents, addenda shall govern all other contract documents to the extent specified. Subsequent addenda shall govern over prior addenda only to the extent specified.

D. **Prices Contained in Offer--Discounts, Taxes, Collusion**

It is understood and agreed that the District is not a legally binding party to any contractual agreement made between another governmental entity and the Vendor as a result of this Solicitation. The District shall not be liable for any costs or damages incurred by any other entity.

The Vendor shall disseminate information regarding all subcontracting opportunities under this contract in a manner reasonably calculated to reach all qualified potential subcontractors who may be interested. The Vendor shall maintain records demonstrating its compliance with this article and shall make such records available to the District upon the District’s request.
